### **Forest Ridge Field**

We have decided that individual teams can choose to play or not play at Forest Ridge because their field does not meet USL requirements. They will travel to the opposing site, find an alternative site as their home field, or forfeit the game.

### **Regional Team**

Idaho is now considered a part of our region to join with Washington and Oregon. It has not been decided yet about the Division 1 blackout during Memorial Day weekend. It will stay and offer it to our girls. It's the year for Oregon to run the tryouts, budget and provide the coach. There is \$300.00 in the budget for new uniforms and Oregon must also provide half of the cost. Jan has been the point person on this so far.
