

SEATTLE RAINZ 2008

What is Rainz?

Rainz is a subsidiary of **Starz™ Lacrosse Club**, an elite program created to provide additional instruction and competition to lacrosse players. Designed to compliment local middle and high school programs, **Starz™** takes committed players, male and female, and provides the opportunity to compete beyond their regular lacrosse season. **Starz™** looks for players who have a passion for the game, want to compete at a higher level, and/or have thoughts of continuing their lacrosse careers beyond high school. By combining the best of talent and coaching, atmosphere and friendships, the **Starz™** experience is sure to benefit the development of our young student-athletes.
