- III New Youth Boundary Guidelines
- Boundary Chart attached and will be posted in 09 handbook
 - Uses same criteria as HS
 - Play for your school program
 - If no school program find primary residence on boundary chart and Play for that program
 - If that program is full you may play for the next closet program to your Primary residence
- Central Kitsap, Bremerton Peninsula added to North Kitsap
North Bend/Snoqualmie determine boundary for Issaquah/East Sideclub (offline discussion will take place)
Snohomish has Everett until program is available for Everett
University Place added to Vashon
- IV Waivers
- The primary use of boundary guidelines is to insure programs have fair access to players. Waivers will be considered from programs that are struggling to find enough players. Waivers from programs that have an abundance of players will often receive less favorable attention
